

October 3-6, 2010

JW Marriott Hill Country Resort & Spa

San Antonio, Texas, USA

www.wastesymposium.com

A broad coalition of government agencies, waste services companies, consultants, vendors/suppliers, researchers, and leading trade organizations and scientific foundations attended the Global Waste Management Symposium in 2008. Here is a sample of the participants:

ACP Testing & Eng, Operations Manager
Adelantar Consulting, Environmental Engineer
Advanced Disposal Svcs, Corporate Landfill Manager
Advanced Earth Sciences, Principal Engineer
Adventus Group, Hydro Geologist
AES Climate (Agriverde), Climate Change Analyst
Agu America, Inc., President
Alan Environmental, LLC, President
Alternative Nat. Tech., President
Amer Environmental Group, President
American Environmental, President
American Environmental, Sales/Marketing
Ana Wood & Company, LLC, Manager
AquaAer, Inc., Geologist
AquaAer, Inc., Marketing Director
AquaAer, Inc., V.P., Dir. of Engr.
Aquaterra Engineering, Principal
Aquaterra Engineering, Senior Engineer
Aquaterra Environmental, Project Manager
ARCADIS, Director, Technology Development
ArrowBio USA, Professor Emeritus, Head ArrowBio USA
Barker Lema, Senior Project Manager
Benzoco Scientific, Senior Scientist
Blazosky Associates, Inc, President
Blue Ridge Services, Project Engineer
Boreal Laser, Inc., VP Sales & Marketing
Boreal Laser Inc., Manager Research & Development
Brown and Caldwell, Environmental Engineer
Brown and Caldwell, Senior Engineer
Bunnell-Lammans Eng, Principal
Butler Cty Dept. of PW, Solid Waste Coordinator
CA Polytechnic St University, Associate Professor
California Climate Action Registry, Vice President
Cameron - Cole, LLC, West Coast Manager
Canyon County SW, Director
Carbon Solutions Group, VP Business Development
Caribbean Energetic, President
Casella Waste Systems, Inc., Senior VP, EPCC
Caterpillar, Inc., Strategy Mgr.
Caterpillar, Inc., Waste Industry Specialist
CDM, Sr. Project Manager
Cemagref d'Antony HBAN, Research Unit
Central Waste, Inc., Engineering Manager
Centre Environmental, COB
CETCO, Marketing Manager
CETCO, Technical Support Engineer
CETCO, Vice President
CH2M Hill, Global Waste Management Group
CH2M Hill, Principal Hydrogeologist
CH2M Hill, Sr. Project Manager
CH2M HILL, Vice President
Chicago Climate Exchange, Executive Vice President
Cirade Suez, Rdd Project Manager
City of Tacoma, Division Manager
Civil & Env Consultants, Principal
Civil & Env Consultants, Sr. Project Manager
Civil & Env Consultants, Vice President
CL-Clearwater Const, Operations Manager
CL-ClearWater Const, Regional Sales
CMA Engineers, Inc., Vice President
CoBank, Vice President
Columbia University, Director, Earth Engineering Center
COMANCO Environmental, Vice President
Comerica Bank, Vice President
Construtora Marquise, Operation Director
Cornerstone, Client Manager
Cornerstone, Senior Project Manager
Cornerstone, Vice President
County of Sacramento, Sr. Civil Engineer
Covanta Energy Corp., VP - Sustainability
CPF Associates Inc., Principal
CR&R Incorporated, Senior Vice President
Creed - Veolia, R&D Department Manager

Creed Veolia Proprete, Project Engineer
CTI and Associates, Director, Solid Waste Services
Daniel B. Stephens, Senior Hydrogeologist
Daniel B. Stephens, Senior Vice-President
Danish EPA, Chief Adviser
DeepEarth Technologies, Geologist
DeepEarth Technologies, Sr. Vice President
Deloitte Financial Adv., Director
Denmark Technical University, MSC
Desert Research Institute, Associate Research Hydrogeologist
DHI Water Env Health, Chief Engineer
Ecole des Mines - Paris, Researcher
Drexel/Geosynthetic, Professor
Durham Geo Slope, Sales & Marketing Manager
Earth Tech AECOM, Vice President
EarthRes Group Inc., President
EarthRes Group Inc., Senior Project Manager
Ecole des Mines - Paris, Researcher
EDS Waste Solutions Inc., Finance Manager
EDS Waste Solutions Inc., Fleet Manager
EDS Waste Solutions Inc., Research and Development
EDS Waste Solutions Inc., Vice President
Element Markets, LLC, Director of Origination
Energy Research Center, Senior Environmental Engineer
Environmental Capital, Senior Vice President
EPG Companies, Inc., Product Manager
EREF, President
EREF, VP Envl. Programs
ESI, VP Sales & Marketing
ESP/Skops Industries, Sales Manager
ESS Environ Support, Account Manager
ET Environmental Corp., President & CEO
Ewing Bemiss & Company, Vice President
EWS LLC, President
Finnish Meteorolog Inst., Group Leader
Firestone Specialty, Business Manager
Firestone Specialty, Regional Sales Manager - East
Florida State University, Associate in Research
Florida State University, Professor
Fukuoka University, Technician
General Safety Management Ltd., Training Manager
GeoComp, Inc., Senior Consultant
Geocycle US, President
GeoSyntec Consultants, Principal
Geosyntec Consultants, Project Engineer
Geosyntec Consultants, Project Scientist
Geosynthetic Institute, Director Designate
Geosynthetic.Net, Editor
Geo-Synthetics, Inc., Dewatering Solutions Manager
Geo-Synthetics, Inc., Vice President-Construction
Geo-Synthetics, Inc., President
Geotech Environ Equip., VP of Operations
GeoTrans, Inc., Principal Hydrogeologist
Global Consultants Servc., Consultant
Global Energy Systems, Vice President
Global Methane Control, President
Golder Associates, Inc., Principal Senior Engineer
Golder Associates, Inc., Senior Civil Designer
Golder Associates, Inc., Senior Waste Planner
Golder Associates, Inc., Senior Manager Waste Services
Golder Associates, Inc., US Central Region Leader
Golder Associates, Inc., Principal & US Waste Sector Leader
Golder Associates, Inc., Senior VP/Principal
Golder Associates, Inc., Solid Waste Practical Leader
Golder Associates UK, UK Waste Sector Leader
GreenFirst LLC, CEO
GSE Lining Technology, VP Technical
Hallaton, Inc., Business Development Director
Hallaton, Inc., President
Holcim Group Support, VP
Holme Roberts & Owen LLP, Attorney
Huesker Inc., Product Manager
hydroGEOPHYSICS, Inc., Sales & Marketing Manager
I E M Inc., Technical Director

IESI/BFI Canada, Vice President -Environmental Management
INSA Toulouse/LISBP, Research Engineer
Interaseo, Operations Manager
Interstate Waste Management Ltd., Operation Manager
Interstate Waste Management Ltd., Tech.Director Manager
InterWrap Inc., Division Manager
ITRC, Research Scientist
JCB Impulsora Ambiental, Chemical Engr.
Joyce EngineeringProject, Consultant
KBR, Site Construction Manager/Geoscience Advisor
Key Management Facilities Ltd., Training Manger
Kimberly-Clark Corp., SRS
Kyoto University, PhD Candidate
Kyushu University, Professor
Landrie Environmental, CEO
Lake County Solid Waste, Executive Director
Landfill Service Corp., Chairman
Led Italia Src., Head Chemist and Process Manager
Lee Supply/EPG Co., Env. Sales Manager
Marshall University, Associate Professor
Metropolitan Safety, Marketing Manager
Metropolitan Safety, Training Manager
Michigan State University, Assistant Professor
MSW Management Magazine, Editor
Nat'l Defense Center, Program Manager
Nat'l Disaster Research, Assistant Professor
NC State University, Professor
NC State University, PhD Candidate
Nebraska Enviro Quality, Program Specialist
New Waste Concepts, Inc., VP Sales & Marketing
New Waste Concepts, Inc., CEO
NIH/Enviro Protection, Industrial Chemist
NSRAB, Head of Research
NSWMA, Director, State Programs
NSWMA, President and CEO
Oak Ridge Nat'l Lab, Research
Ontario WM Association, President
Ontario WM Association, Manager
PaulusSokolowski/Sartor, Vice President
Pegasus Tech Services, Inc., On-Site Environmental Engineer
Pegasus Tech Services, Inc., Environmental Engineer
Phillips and Jordan, Business Development
Picarro, Inc., Vice President of Sales
Picarro, Inc., Research Fellow
PIONEER Eng/Consulting, President
Polk County Solid Waste, Division Director
Poly-Flex, Inc., President
Poly-Flex, Inc., Vice President
QED Environmental Systems, Sr. Vice President
QED Environmental Systems, U.S. International Sales Director
QED Environmental Systems, VP of Technology
Queen's University, PhD Candidate
R.W. Beck, Sr. Environmental Engineer
Raven Industries, Product Development Manager
Repetto Consulting, Consultant
Republic Services, Inc., Dir. Landfill Gas
Republic Services, Inc., Dir. Env. Compliance
Republic Services, Inc., Dir. of Engineering
Republic Services, Inc., Dir. Operations
RGM, Consultant
Royal Institute of Tech, Professor, Head of Division
RTI International, Environmental Engineer
Rutgers University, PhD Candidate
S.M. Stoller Corp., Lead Ecologist
S2L, Incorporated, Principal Engineer
Sapienza Univ di Roma, Full Professor
SCC Americas, CEO
SCS Engineers, Project Director
SCS Engineers, Sr. Vice President, PE, BCEE
Sentinel Consulting, Principal
Shaw, Business Line Manager
Shaw, Project Manager
Shaw, VP Solid Waste Services

Shaw LFG Specialties, Vice President
Soprema Inc., Civil Engineer
Suez Environment, R&D Director
SYSAV Company Group, CEO
Technical University of Denmark, Professor
Tenax Corporation, Western Region Manager
TenCate Geosynthetics, Rocky Mountain Region Manager
Terra Int'l Corp., Manager Waste Containment Industry
Terra Consultores S. C., Laywer
Test America, Program Manager
Texas Disposal Systems, CEO
Texas Disposal Systems, Director of Facility Operations
The Carel Corporation, President
The University of Seoul, Professor
Thiele Geotech Inc., Senior Engineering Tech
Timberline Energy, President
Tonji University, Director
Tortoise Capital, Associate
Transload America Inc., Vice President
TRI Environmental, Inc., Manager of Project Development
Trimble Navigation Limited, Segment Manager
U.S. EPA, LMOP, Program Manager
U.S. EPA OSW, Environmental Engineer
UF Bill Hinkley Center, Executive Director
University Central Florida, Interim Director
University of Canterbury, Associate Professor
University of Central Florida, PhD Candidate
University of Colorado Denver, PhD Candidate
University of New Hampshire, Research Assistant Professor
University of Padova, Professor
University of Southampton, Professor
University of Washington, Chairman, Dept. Civil & Enviro. Eng.
University of Adelaide, PhD Candidate
University of Delaware, Associate Professor
University of Hamburg, Biologist
University of Melbourne, Structural Engineer
University of Missouri, Professor of Civil Engineering
US EPA Svcs/Blue CO2, P - Strategic Initiatives
US EPA, Chemical Engineer
US EPA, Environmental Engineer
US EPA, Physicist
US Postal Service, Purchasing and Supply Specialist
USDA-Agri Research Svc., Soil Scientist
Veolia Environment R&D, Project Engineer
Veolia Environmental, VP Engineering and Compliance
Veolia Proprete, Storage Coordinator
Veolia Water / Crown Solutions, Inc., Product Manager
Veregister Corporation, President/CEO
Waste Age Magazine, Publisher
Waste Chasers, V.P. Construction Waste Recycling
Waste Connections, Inc., Director - Landfill Operations
Waste Connections, Inc., Division Manager - Millenium
Waste Connections, Inc., Special Products Manager
Waste Connections, Inc., Vice President
Waste Management, Dir, Groundwater Protection Program
Waste Management, Director of Greenhouse Gas Programs
Waste Management, Director, Fed Publ. Affairs
Waste Management, Sr. Dir. Air Programs
Waste Management, Sr. Dr. Environmental Process
Waste Management, VP. Disposal Op Support
Waste Management, Director - Disposal Operations
Wasteconsult International, CEO
Weaver Boos Consultants, Principal
Weaver Boos Consultants, Sr. Project Manager
Wheelabrator Tech Inc., Manager of Projects
Wildlife Habitat Council, Regional Biologist
Wildlife Habitat Council, VP External Affairs, Marketing
WTERT, WTERT Administrator
WTERT / Columbia University, Post Doctoral Scholar
Zenith Waste Management Ltd., Operation Manager
Zenith Waste Management Ltd., Tech.Manager
