

WANT TO MEET AN **INTELLIGENT GROUP** OF WASTE MANAGEMENT PROFESSIONALS?

Now you can at North America's leading technical conference for the presentation of research and case studies on waste management that happens once every two years. At the 2020 Global Waste Management Symposium (GWMS), you'll find global buyers who want to experience three days of world-class content and breakthrough research.

GWMS encourages thoughtful discussion that includes oral presentations and networking events. At GWMS, a committee of industry experts vets all comprehensive abstracts submitted related to solid waste engineering and management.

You'll meet a captive audience of intelligent buyers.

GWMS attracts landfill owners and operators, as well as their engineers and the consultant and vendor communities, plus:

- Facility Owners and Operators
- Researchers
- Vendors/Suppliers
- Solid Waste Generators
- Local/State/Federal Agencies
- Waste Service Companies
- Trade Organizations
- Students and Academicians

www.wastesymposium.com

"The Global Waste Symposium is the best environmental / technical conference in which to meet and interact with the leading science professionals within the industry. I look forward to it every two years."

— Rick O' Sadnick

Senior Scientist, Benzaco Scientific
